

Stephen Satory

Theory

Stephen Satory holds both a Master of Arts in Musicology and a Doctorate of Philosophy in Musicology from the University of Toronto. Mr. Satory has recently published a book on the basics of teaching harmony and is currently working on developing a sight singing textbook. He is also researching the methods of teaching the piano music of Bartok.

Mr. Satory is also involved with amateur operatic productions, and is a member of the Canadian University Music Society.
